

Oklahoma Department of Corrections  
Unclassified Job Descriptor

**DIRECTOR OF FLEET MANAGEMENT**

**Basic Purpose:**

The position assigned to this job manages the operation and maintenance of the department's motor vehicle fleet, through the development of budgets, inventory control & disposal systems, preventative maintenance programs and management of vehicle maintenance facilities.

**Typical Functions:**

- Develops and maintains budget for fleet operation and management.
- Analyzes maintenance costs and provides recommendations on fleet utilization and replacement.
- Develops agreements and service contracts with vendors for external repairs and services for the motor vehicle fleet.
- Tracks fleet usage and assignment of vehicles.
- Develops and maintains fleet management system(s), of which at least one will consist of an established computer-based fleet management program.
- Directs repair, service and maintenance of department vehicles.
- Develops and supervises agency preventive maintenance schedules.
- Recommends/arranges for the disposal of vehicles through state surplus/auction.
- Supervises and assists in the input of fleet management data, running of reports, compiling and disseminating information as requested by the public, other agencies and the legislature.
- Establishes and maintains files, including pending purchases and sales, to provide an accurate inventory of the vehicles owned by the department
