

Oklahoma Department of Corrections Compliance Agreement

I have reviewed the Oklahoma Department of Corrections Operating Procedure OP-021501 entitled "Procedures Regulating Research" and agree to abide by the policies and procedures outlined in this document in conducting the proposed research request and in distributing the research findings. I also agree to comply with the research conditions cited by the director responsible for the supervision of Population, Programs and Strategic Planning and will comply with all federal, state, and departmental policies and procedures pertinent to conducting the proposed research.
